YEARLY MEETING OF FRIENDS
FOR NEW ENGLAND

7th y. That no testimony by way of condemnation be given forth against any man or woman what ever crime they they commit before admonition, & till such time as they have had Gospel order, according to ~~y~~ Christs Doctrine.

8-y. And if any brother, or sister hear any Report of any brother or sister; let him or her go to y^e party, & know y^e truth of y^e Report; & if true let y^e thing be judged; if false, go then to the Reporter, & let him or her be judged. and if any should Report it at a second or third hand, without going to y^e party of whome y^e Report goeth; let such be brought to Judgment, for thou shalt neither raise, nor suffer a false report to lie upon my People, saith y^e Lord for they are to be holy as he is holy, & just as he is just.

9-y. and if any controversie, or Wickedness should appear in either mens or womans meeting; let it not be told out of your meetings. because such speeches tend to y^e defaming of such persons & meetings & to y^e hurt of y^e common Unity, and breach of y^e heavenly society & Privilege.

this time to communicate the following advice
& Remarks

All the the Sword & the alarm of War seems to be
removed from our Borders, Yet it Seems a time of great discourage
-ment to Some & of Liberty & ease to others Many are ginding themselves
and Going Where their own vain minds and inclinations lead them;
But be assured the day is hastening when all our Works Will be brought
to judgment the Concern that has taken hold of our minds is to
incourage all to seek more ardently after that Strength which never
failed the Righteous throughout all ages be prevailed With dear friends
not to loos your Birthright nor Sell it for things of so small value
as one formerly did even for a mess of pottage But as the Seed lays
low let us Search for it more then for hidden treasure — It is not
a time to turn back or quit the Ground Whereon our Safety depends.

We also feel our Selves ingaged particularly to note our Sense of
a prevailing defect in the christian duty of discouraging tale bearing
Back biting and Spreading of evil reports. If that Gospel Charity
that thinketh no evil was more Carefully attended to cultivated
among us it Would have a powerfull tendency to discourage
the Growth of that pernicious Weed & cause the precious Spice roots
to flourish in our Gardens from Which Sweet incense Would arise
as an acceptable Sacrafice to the Beloved of Souls. We are also
Concerned to caution the dear Youth against indulging in intimacies
Which lead to marriage With those not of our Society & to remind
parents of their most important duty of using their
utmost care to preserve them Within the inclosure of truth. If
this Was attended to as important a Requisite it Would lead to a great
Concern for the carefull attendance of our religious meetings;
not only those on First days But other days of the Week in
Which Neglect We observe a deficiency in the answers

From our yearly Meeting of Women friends held at Rhodeisland for Newengland from the 12 of the 6th Mo. 1789 to the 16th of the Same inclusive to the Quarterly Meetings herein belonging

Dear Sisters

Under a renewed Sense of the Countenance of divine Regard we have at this time affectionately to Salute you in the Language of the inspired apos-tle May grace Mercy & peace be with you & this heart-well desiring for the good of individuals and prosperity of the Church at Large can only be experienced under the influences of his holy Spirit who is our head & high Priest—let us wait to feel it & be thankfull under its opera-tion, that we are far Separated from the Spirit of ~~the~~ Contention & disorder ~~& wrong~~ to which humane nature is Subject if inattentive to the ingathering voice of that Wisdom which is profitable to direct

Moved by the answers to the Queries, there are a living Concern
who are engaged for the Cause of truth, whome we feel our Minds
nearly united to & ingaged with on account of the many complaints
brought up to this Meeting which have
been exercising & in a particular a Slackness in the Attendance of
Middleweek Meetings for where there is a neglect in this there is
their is a Manifest declination & Weakness and poverty will
infue — and for their Reformation We ardently
implore the god and father of all our Mercies that he will be
pleased to arise & yet not only Shake the earth but the heavens also that
those things which cannot be Shaken may remain & you may
arise Shake your Self from the dust & the earth & put on your beau
tiful garments & be a terror to the jewels of the hole earth —
And dear friends let none be discouraged because of the trials
that may attend them — & the difficulties that
sometimes rise high in their view, but turn the eye of your
Minds unto that power that is able to remove mountains
& the hills melt at his presence — —
It has been a Satisfaction to our Minds to observe in the
Meetings that some of our beloved youth are in a good
degree conformed to the plain appearance in dress & address
which the truth leads its faithful followers
into — — May the
Number be increased who are made willing to take up the
Cross and be obedient in their day / Cunning Men and
Men out of the foolish fashions of the World which giving room
to, opens a door for that Evil practis of keeping Company
or accourt of Marriage with those not of our Society which
some have done to their own trouble and the pain of their
friends — we earnestly desire your preservation therefrom
and that you may live near the Truth that is able and will
preserve you if you are obedient to the Dictates thereof
We have been favoured with the edifying Com
pany of our beloved friends Rebecca Jones Zacariah Sharis
John Simson — George Martin and Benjamin Worth
from the western yearly Meeting whose Gospel labours
have been much directed to the youth — —
May they be blest to the good of all who have been partakers
and the praise redown to the honour of
the great Master who Still graciously condescends
to feed his flock like Sheep and goeth before them —

Our Meetings have been attended with an Increasing Solemnity and our affairs conducted in Condescension and Love wherein we tenderly bid you farewell

Signed in and on behalf of said Meeting by Mary Brown Clerk this year

P.S

A concern hath been raised in this Meeting that our Beloved Youth may be carefull to keep their affections from being intangled by such as are nearer of kin than our Discipline Approves of their entering into Marriage with — And we apprehend it would be of use if the Paragraph in this bed in the 64 Page of the Book of Discipline was at Suitable times to be read in the preparative meetings that being observed it may help to Strengthen the minds of the youth and others to guard against giving way to a Connection that would break the unity with the Body
